

CHILDREN'S RECITAL HELD AT THE CENTER

Melissa's Junior Chorus presented Summer Recital 2007 Sunday, August 5, at 3:00 p.m. at the Bayanihan Arts and Events Center. This show, produced by Melissa Santiano, the youngest elected board member of the Philippine Cultural Foundation, was a showcase of talent from the children of the community.

"I would like the community to know the talents of their youth and the youth to become more comfortable in showing what they are capable of performing", said Melissa, executive producer and overall chair of the very successful "Music Makes My Heart Sing" concert held earlier this year. It starred many of the children who participated in this August 5th recital.

Many talents were featured in this recital, including singing, dancing, and playing the piano, flute, guitar, violin, etc., from children ages 14-19. This recital, like all of Melissa's productions, will benefit the final phase of Melissa's Children's Pavilion. The pavilion will be used for the children's booth during PhilFest and will also be available for rent during the year for birthday parties and other celebrations.

If you or any children you know would like to be part of any future productions and help build a legacy for future generations, please do not hesitate to contact Melissa at (727) 642 - 6228 or email her at melissa_6581@yahoo.com.
